Mission and Vision

Meeting tomorrow's needs by investing today

In our desire to fully support communities that flourish and grow, the Community Foundation of Elmira-Corning and the Finger Lakes, Inc. has spent much of the last eighteen months reviewing its own health and direction. This rigorous strategic planning process boasts an incredible yield already in the creation and implementation of very specific tools that will guide our work into the next decade. Additionally, the insight of all staff and board members contributed to the evolution of our new mission and vision statements, as well as the re-imagination of the Foundation's website.

Mission:

Community Foundation connects diverse donors with unmet community needs.

Vision:

Community Foundation donors fulfill community needs today, tomorrow, and beyond.

2009 - 2010 Donors

Fostering Foliage and Flowers

Each year, donors add to the financial undergrowth of the Community Foundation of Elmira-Corning and the Finger Lakes, Inc. either by establishing a fund or contributing to an existing fund. By making charitable gifts to the Foundation, they propagate the perennial cycle of hope and opportunity in our community.

The contributors listed made gifts of \$50 or more to the Community Foundation between July 2009 and June 2010. All memorials and honorary gifts to specific funds are located under that specific fund listing.
